

Threshold 5th Anniversary Releases

Threshold x Gigantic Brewing

Empire Wasted Thiolized Imperial Grodziskie, 4.1%

Light smoke dances with heady and aromatic Nelson Sauvignon hops, fermented and further enhanced with a Thiolized yeast strain. At 4.1% this Imperial Grodziskie packs a punch.

Threshold x Von Ebert Brewing

Future Footage West Coast IPA, 7.5%

A classically west coast IPA with Citra, Chinook and Columbus but use of pure hop extracts and concentrated Cryo hops push it all to the max. Orange and citrus notes hit high!

Threshold x Ruse Brewing

Dual Perspective Hazy IPA, 7%

If Von Ebert is the champion of West Coast IPAs, Ruse rules the Hazies. Dual Perspective is a juicy delve down under with New Zealand's rockstar Riwaka and brand new Superdelic, known for their unearthly combined wow factor of candied citrus, sweet berry and ripe tropical fruit flavor.

Svarog

Jopen-style ale, 13%

Official 5th Anniversary Beer

A smooth, rich, full-bodied and deep amber Jopen, brilliantly balanced at 13%, leaning caramel but with delicate notes of star anise and lovely wood character from its year in Westward Whiskey barrels.

Piwko

Light Jasne Lager, 4.9%

Benefiting Shriners Children's Hospital

An exceptionally smooth light "Jasne" lager brewed with Central European malts and Polish Puławski hops. Brewed in collaboration with local non-profit Shriners Children's Hospital (celebrating their 100th anniversary!) with a portion of proceeds supporting their work.

Thank you, all!

We can't wait to see what the next 5 years has in store.
