ZAPIEKANKA (Zapi for short)

A beloved Polish street food - served hot and toasted

Our Zapi's begin with a local Fressen Bakery 12" baguette, layered with richly spiced mushrooms and oozy Polish Morski cheese.

Zapi's are toasted to perfection and finished with a generous drizzle of our tomato-based house Zapi Sauce and sprinkle of smoked paprika. Go for The Classic or add on smoked Kielbasa and house-brined cucumbers.
